#solarmoduleconference

DAY 1: July 29

08:00 – 09:00 PARTICIPANT LOGIN/REGISTRATION/NETWORKING

09:00 – 10:00 OPENING: WELCOME & KEYNOTE

Description: With over 40 years in solar, and multiple executive positions, Charlie Gay, who was heading the US DOE's Solar Energy Technology Office until end of 2019, will provide in the keynote his view on the evolution of solar module technology. The keynote will be followed by a fire-chat between Charlie Gay and TaiyangNews' Michael Schmela.

9:00 – 9:05 | **WELCOME**
MICHAEL SCHMELA,
MANAGING DIRECTOR,
TAIYANGNEWS

9:05 – 10:00 | **KEYNOTE & FIRE CHAT: SOLAR MODULES FOREVER – HOW TO DESIGN LOW-COST SOLAR MODULES THAT CAN LAST HALF A CENTURY**
CHARLIE GAY, PRESIDENT, GREENSTAR FOUNDATION

10:00 – 15:00 WHY THE WORLD'S LEADING MODULE MANUFACTURERS GO 500W+

Description: The latest trend in solar modules are products above 500W. These sessions will have all of the world's leading module manufacturers that launched in the first half of the year 500W+ module products present background on their latest technical innovations. Each of the presentations (ca. 25 min) includes a 15 min Q&A.

10:00 – 10:45 | **OUTSTANDING SOLAR MODULE ADVANTAGES WITH TILING RIBBON DESIGN**
AMY LIU, JINKOSOLAR

11:00 – 11:45 | **OPTIMIZING MODULE DESIGN FOR INTEGRATED COST REDUCTION OF PV INDUSTRY**
TAO WANG, JA SOLAR

12:00 – 12:45 | **The Road to 600W: Bringing down LCOE with Super High Power Vertex Modules**
KLAUS HOFMEISTER, TRINA SOLAR

13:00 – 13:45 | **FULL INTEGRATION FOR SUPERIOR SOLAR MODULE PRODUCTS**
JUAN CARLOS GONZALEZ,
LONGi SOLAR

14:00 – 14:45 | **VERY LARGER WAFERS FOR VERY HIGH SOLAR MODULE OUTPUT**
YAFENG LIU,
RISEN ENERGY

15:00 – 15:45 | **PERFORMANCE LEADERSHIP WITH SHINGLED SOLAR MODULE TECHNOLOGY**
JOSHUA MOORE, MAXEON SOLAR TECHNOLOGIES

14:45 – 16:00 CLOSING DAY 1 | MICHAEL SCHMELA, TAIYANGNEWS

DAY 2: July 30

09:00 – 10:00 PARTICIPANT LOGIN/REGISTRATION/NETWORKING

10:00 – 10:15 WELCOME & OPENING STATEMENT

10:00 – 10:05 | **WELCOME**
MICHAEL SCHMELA,
MANAGING DIRECTOR,
TAIYANGNEWS

10:05 – 10:15 | **OPENING STATEMENT: WHY SOLAR NEEDS MORE THAN WATTS TO BE POWERFUL**
PROF. SULAIMAN SHAARI, SECRETARY-GENERAL, ASIAN PHOTOVOLTAIC INDUSTRY ASSOCIATION (APVIA)

10:15 – 11:00 **LAUNCH: TAIYANGNEWS 500W+ SOLAR MODULES REPORT 2020**

10:00 – 10:05 | **WELCOME**
SHRAVAN CHUNDURI,
HEAD OF TECHNOLOGY,
TAIYANGNEWS

Description: This is the global launch of TaiyangNews' first report on high power modules, which provides an overview and details on the latest developments in high-power modules of 500W+.

11:00 – 12:30 **EXECUTIVE PANEL: THE HOTTEST TRENDS IN SOLAR MODULE DESIGN TO DECREASE COST & INCREASE OUTPUT**

Description: The Exec Panel will offer views from the world leading module manufacturers into the opportunities and challenges to further reduce cost while improving output of solar panels.

DANY QIAN
GLOBAL VICE
PRESIDENT,
JINKOSOLAR

HENNING SCHULTZE
CORPORATE ASSISTANT
PRESIDENT,
JA SOLAR

GONAZALO DE LA
VIÑA
HEAD OF EUROPE,
TRINA SOLAR

JUN LV
VICE PRESIDENT,
HEAD OF MODULES,
LONGi SOLAR

HUANG QIANG
VICE PRESIDENT,
CTO,
RISEN ENERGY

PETER ASCHENBRENNER
CHIEF STRATEGY
OFFICER,
MAXEON SOLAR
TECHNOLOGIES

12:30 – 12:45 CONFERENCE CLOSING | MICHAEL SCHMELA, TAIYANGNEWS
